Powered by:

Made in USA

NSF 42 Certified

NSF 53 Certified

NSF 372 Certified

\* Meets the new tougher Lead Certification by NSF 53.

## Pureline

### 3-Stage Filtration

1

#### THE BODYGUARD

Captures large sediment to keep your system running smoothly.

2

#### THE SPECIALIST-LEAD PACK FILTER

Specializes in removing Lead, VOC's and reduce chlorinetaste and odor. Advanced lead capturing media, focuses on fine particle filtration and heavy metal reduction while maintaining high flow performance. Designed for older infrastructure where lead or legacy plumbing may be a concern.\*

3

#### THE CLOSER

Final safeguard, designed to remove PFOS for ultimate protection. Confirmed by 3rdparty testing, pending NSF certification.

**Engineered for Performance:** Every component is designed, tested, and verified to out perform traditional filtration systems.

**Data-Driven Solutions:** Transparency in water quality & filter performance.

**Affordable Quality:** High-end performance without the expensive price tag.

#### Dimensions:

12"W x 13"H x 5.6"D

#### STAGE 1:

##### Sediment Guard Filter

Crafted with polypropylene and featuring a Radial Pleat design for high flow, this filter traps sediment and large particulates, preventing premature dogging in stages 2 and 3 of filtration.

- High Flow & Pleat Design
- Traps Large & Small Particles
- Longer Service Life
- Protects Stage 2 & 3

FILTER LIFE: 6 MONTHS

Made in USA

NSF 42 Certified

#### STAGE 2:

##### Lead Barrier Pro

Constructed with acid-washed catalytic coconut shell carbon and lead scavenger media, this nominal 1 μ filter specializes in removing lead, VOCs and reducing chlorine taste and odor.

- Removes Lead
- Removes VOCs
- Chlorine Taste & Odor
- NSF 53 Performance Certified

FILTER LIFE: 6 MONTHS

Made in USA

NSF 42 Certified

NSF 372 Certified

#### STAGE 3:

##### PFOS Ultra

Designed with proprietary high-density, acid-washed coal-based carbon and infused during the extrusion process with specialized media, this filter targets and effectively removes total PFOS (Perfluorooctane sulfonate). Engineered to tackle even trace levels of PFOS.

- Removes of PFOS downtoPPT
- PFOS/PFOA Gen X Removal
- Chlorine Taste & Odor
- NSFCertification Pending/3rdpartytestedverified

FILTER LIFE: 6 MONTHS

Made in USA

NSF 42 Certified

NSF 372 Certified
